

Pandemic Plan Addendum-A

All staff, students aged 5 and older, and visitors will be required to wear a face covering that covers the nose and mouth at all times while in Raymond School District buildings except during the following activities:

1. Face coverings can be removed outside as long as 6 feet of distance is maintained.
2. Face coverings may be temporarily removed to eat or drink, but care should be taken to maintain as much space as possible between people, recognizing it is not always feasible to maintain 6 feet of distance from others.
3. People who are entering the school building during the day may be required by school staff to briefly remove their face covering for the purposes of checking identification.
4. Staff working alone in their offices, classrooms, vehicles, or other job locations who do not have any person-to-person interaction.
5. When communicating with a person who is deaf or hard of hearing or has a disability, medical condition, or mental health condition that makes communication with a face covering difficult, provided that social distancing is maintained to the extent possible.

A letter on letterhead will be required from a Physician or Licensed Mental Health Practitioner in order for any staff, student aged 5 and older or visitor to be exempt from wearing a face covering.

The masking requirement will be evaluated each month at the board meeting by the Raymond School Board.
