

ESSER III Funding - Safe Return to In-Person Instruction and Continuity of Services Plan

- Each LEA creating and posting a Safe Return to In-Person Instruction and Continuity of Services Plan
- Each LEA conducting local stakeholder engagement on their planned use of ESSER III funds
- Each LEA reserving a minimum of 20 percent of ESSER III funds to address the impact of lost instructional time with evidence-based improvement strategies

MYVIEW LITERACY 2020 MYFOCUS (Guided Reading Books, GRADES 3-5)

- To fulfill the requirement of “addressing lost instructional time with evidence-based improvement strategies”, MyView Literacy series will be purchased for 3RD -5TH GRADES. These books will be located for each classroom which will include whole group instruction, small group discussions, and individual lessons. These additional resources will be provided within the classrooms, preventing transition times to the library.
- Total Cost of \$31,252

School Playground Equipment - Play for children of all ages and abilities

- Creating an inclusive playground that brings equity to play, as well as a sensory play space where children of all abilities can learn and socialize.
- Supporting students' social and emotional wellbeing through play.
- Total Cost of \$16,333

Robotics Learning Systems: STEAM learning kits that will be utilized within the classrooms from grades 6th through 8th grade.

- To fulfill the requirement of “addressing lost instructional time with evidence-based improvement strategies”. Providing an effective and engaging STEAM activity was extremely difficult over the past 18 months of school.
- Total Cost of \$14,000 for the kits.

Chrome Books for 2nd grade

- To fulfill the requirement of “addressing lost instructional time with evidence-based improvement strategies”. We increased our chromebook supply from a classroom set shared by the three homerooms to a one-to-one scenario for our 2nd grade.
- Total Cost of \$43,000

IPad Tough for 5K and 1st grade

- To fulfill the requirement of “addressing lost instructional time with evidence-based improvement strategies”. We increased our iPad touch supply from a classroom set shared by the three homerooms to a one-to-one scenario for both 5K and 1st grade.
- Total Cost of \$21,000

Total Cost - \$125,585
